

Dear member,

TELSTRA WORKERS EBA SURVEY – YOUR VIEWS MATTER

Your Union is preparing to commence bargaining on your behalf with Telstra for a new Enterprise Agreement.

The Telstra Enterprise Agreement governs the pay, conditions and entitlements of Telstra employees – and this round of bargaining is set to be critical, and like no other, as members stare off structural separation of the Telstra group into multiple subsidiaries scheduled to occur over the coming months.

As always, we look to our membership for their views – to understand the issues most important to you.

Our quick online survey is an efficient way of canvassing those views and we urge all members to please participate.

It is smartphone-friendly and will take less than five minutes. You can access the survey right now [by clicking here](#).

Doing so ensures we are able to develop a bargaining strategy around claims that accurately reflects your needs – to deliver the best possible outcomes for you and your family, during this round of bargaining.

Please assist us by completing your survey by Friday, 4 June.

Should you require any further information, please contact your Branch Official on (08) 8443 7389.

Yours faithfully,

Nick Townsend
